MORE THAN JUST FOOTBALL

For twenty years, Liverpool Homeless Football Club has used football to give people something many of us take for granted: a team, a routine, a place to belong and a reason to come back next week.

Football might bring someone through the door.
What happens next can change far more than the scoreline.

WHY THIS NIGHT MATTERS

On Thursday 8 October 2026, 180 guests will gather under the glass of Sefton Palm House to celebrate twenty years of LHFC and help fund what comes next.

There will be black tie, brilliant food, John Bishop, special guests, comedy and fundraising.

But the reason everyone is in the room is much simpler.

To make sure LHFC can keep showing up.
